

REVONAH

1975

DEDICATION

It is with gratitude that we dedicate the 1975 REVONAH to Tommy Sheridan. Throughout the years he has spent much of his time helping all classes--whether it is providing for HOMECOMING floats, or spirit buttons for basketball games; he is always lending a hand. He not only serves the school but the needs of the townspeople as well. It is an honor and a pleasure to have Tommy in our community. This is our way of thanking you for your services.

Administration and Faculty

SUPERINTENDENT'S MESSAGE

"To The Class Of 1975"

You are now about to begin a very important time of your life. Each of you will be asked to make contributions to our society, that a decade ago would have seemed impossible to make. We have entered into a difficult time. Spiraling prices in our economy continue to plague us; the energy crisis is very real; crime continues to rise; and unemployment continues at a great rate. You, as new citizens of our society, will be asked to help solve these problems. I am confident that each of you will do your share when asked to help. You have been well trained, so now we ask that each of you share with us your ideas and knowledge. May each of you achieve the success you so richly deserve.

Sincerely,

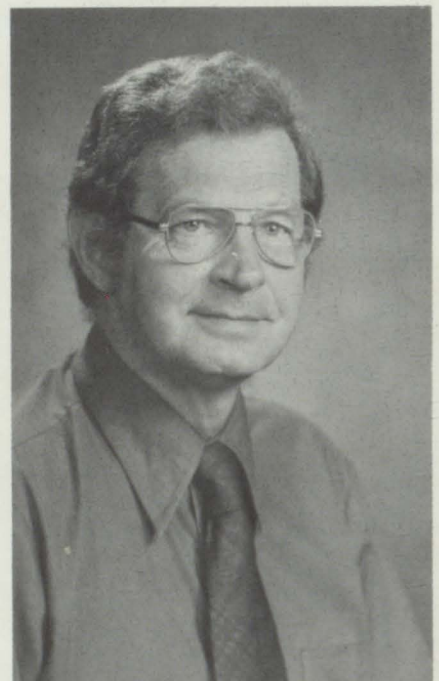

Mr. Barkdoll

PRINCIPAL'S MESSAGE

Congratulations to the Class of 1975! The year you thought would never come has arrived. All of us have completed another successful year at Hanover High School. I want to take this opportunity to thank the student body for their excellent cooperation and attitude. You have had many good memories and bad memories in your school years, but I am sure the number of good memories you've had will last for a long time.

I ask that you do a few things before you leave your school. Always be proud of your family, church, school and community. Things will never be the same again, and that is the reason we all went to school, so as to prepare ourselves for the future. The future holds for you nothing but good and endless opportunities. You have made our life here at Hanover High School richer for knowing and working with you, and I wish all of you nothing but the best.

Mr. Murphy

COOKS

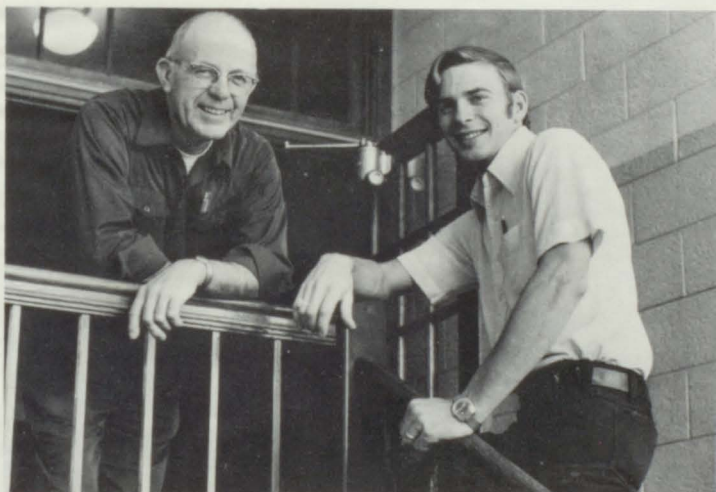

What would Hanover High do without these hard-working cooks? They spend long hours preparing our lunch time meals; and it's always nice when they have those extra special lunches for Halloween, Thanksgiving, Christmas and Easter. Thanks and keep up the good work!

BUS DRIVERS

Aren't they an energetic group? Through rain or shine, sleet or snow they are running their buses bringing students to and from school. They not only have their daily runs--but transport students to games, parades, and contests. We extend many thanks for the time and odd hours you work for us at H.H.S.

Seated: Vera Eadie and Don Campbell, Standing: Earl Jobe and Chuck Nobis, Absent: Bob Patterson

CUSTODIANS

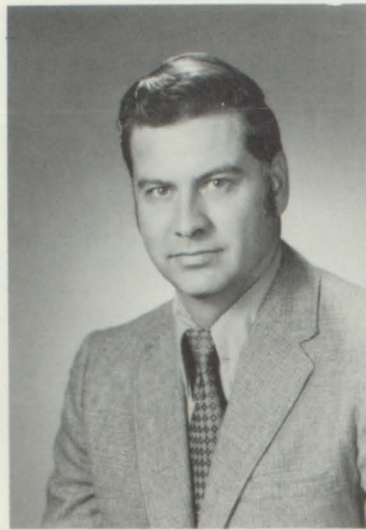

Last but definitely not least are our ever faithful janitors. They are the ones fixing broken windows, doors, and furnishing a warm and comfortable environment for the students, teachers, and workers.

Thank you.

FROM '57 TO '75

PARADOX

It seems like it was yesterday
That life revolved around
cracker jacks
and sand castles,
bedtime stories which made
me laugh,
kittens up a tree,
and pinning tails on a donkey.
And all the while
I pretended
I was grown up.

But somewhere along the way
These were pushed
Into the attic of my mind.

Taking their place I find
quotas,
deadlines,
budgets,
appointments,
and annual reports,
All of which cause me to
retreat
To the safety and innocence
of childhood.

SOPHOMORE Float--First Place

JUNIOR Float--Second Place

Homecoming festivities had been going on all week with the making of signs, painting of windows, building of floats, asking for dates, practices, and bonfire. So when the big day finally arrived, that devil spirit was everywhere. The seniors sold corsages during the morning; the afternoon spent in anticipation. At 5:30 the parade proceeded down the street with bands, floats, horses, cars, queen candidates, colorguard, letter girls, and kiddies. The student council worked hard and made it one of the best parades ever. After the parade the Freshmen sponsored a delicious chili supper.

Soon it was 7:30 and time for the game. We played a defensive first half trailing only by 7. Halftime entertainment included a presentation by the marching band and the crowning of Diane Buck by Honorary captain, Jeff Sullivan. Then it was time for the second half; we fought our best but the final score was Mt. Carroll 20, Hanover 0.

After the game a dance was held in the gym with the group, Frost, playing. Soon Homecoming 1974 was over, a memorable day for everyone.
